

“MUSIC ON THE LAKE”
Lake Barcroft House Concert Series
2004 - 2005

Have you ever dreamed of spending an afternoon indulging yourself in sublime chamber music, played by outstanding musicians, in the intimacy and beauty of a Lake Barcroft home? Well, we've made your dream come true.

After a phenomenally successful inaugural season, the “Music On The Lake” is back with three more varied concerts, made possible by the generosity of our neighbors who have agreed to open up their beautiful homes for the events.

Come and join us for an enchanting afternoon of fine music and friendly conversation with your neighbors and the performers. Each concert, approximately 90 minutes long, will be followed by a reception with light refreshments. (Suggested donation: \$15 per person)
