A planning meeting to coordinate the presentation to the community was held on August 23<sup>rd</sup> at the home of Sue and Amon Nixon. If you would like more

information on the Captain's Club, or wish to volunteer your services, please contact Sue Nixon at (703) 575-9404 or Dave Mason at (703)-354-6880

## Event Wrap-Up

### Dinner at Da Vinci Family Restaurant

On August 12<sup>th</sup>, the LB Newcomers joined together for dinner at Da Vinci Restaurant on Columbia Pike. This family night brought out Newcomer members that have not been present at our other parties. Joining the group were Ken Youngert, Tom Morgan, Ray & Lorraine Creely with their 2 year old, Missy and Jeff Henriksen with their two children, Donna and Phil Kemelor with their child, Virginia Lathrop, and Ed Schwarz. Over servings of Greek, Italian and American dishes, the participants enjoyed a lively evening of conversation and fun.

## Reminder Regarding Neighborhood Signs

Martin Convisser of the Lake Barcroft Association sign committee presented the guidelines recently adopted by the Board of Directors to comply with Fairfax County and State rules and regulations for signs.

The guidelines adopted are:

- β Any signs must be a maximum of 4 square feet in size (eq 2ft x 2ft).
- β No signs are allowed to be placed in right of ways. (This is defined as

an area approximately 5ft from the roadway edge.)

- β Signs must be on LBA, WID, or private property – Not in the right of way or posted on telephone poles or signposts.
- β Signs may be posted no more than 7 days before an event.
- β All signs must be removed no later than 2 days after an event

The sign committee is currently contacting professional organizations that normally display signs in the community to make them aware of the regulations. Other parties posting signs that do not meet the guidelines are being contacted if their identity can be determined. The parties can replace non-conforming signs, or the LBA sign committee will collect them.

If you have any questions regarding signs or their placement, contact Martin Convisser at (703) 820-2871.
