

Barcroft Bingo

A “Know Your Neighborhood” trivia challenge

Brought to you by the Lake Barcroft 75th Anniversary Committee

Use the “bingo card” to enter your answers to the game’s clues. Clues have been posted on the website: [Barcroft Bingo on StoryMaps](#) or as accessible PDFs (“text to speech” files to download) on a Lake Barcroft webpage: [Barcroft Bingo Links](#) . Enter your answers to clues in the appropriate box on your “Barcroft Bingo” card as a street number and street name.

- Find your answers by walking, biking, jogging, or driving around the neighborhood to identify locations. Or you can use online resources from the comfort of your home (e.g., Lake Barcroft History, county maps, directories, Google Street view, etc.). But the best of all neighborly options might be to tap the knowledge of long-time residents to identify the answers to all 16 clues!
- You only need to submit 4 correct answers from any single row, column or either diagonal to have your entry considered a “bingo” and to be eligible for a random drawing for prizes!
- For the true “experts” among us, entries with all 16 correct addresses will be entered into a separate “Super Sleuth” random drawing.
- All submitted entries must be received by February 28, 2025 with 3 winners selected randomly from all eligible entries in each category of 4 or 16 correct.
- Only one entry per lot number, please.
- Save a copy of your answers to check how well you did!
- Access a Bingo Card that is a form-fillable PDF version at [Barcroft Bingo Links](#) .
- Attach your scanned or form fillable PDF entries to an email and send to 75thBarcroftBingo@lakebarcroft.org
- If you prefer - drop off printed entries in a sealed envelope at a marked drop box at one of these convenient locations:

3604 Whispering Lane; 6354 Waterway Drive; 3420 Greentree Drive; or 3609 Tallwood Terrace
