

JOB DESCRIPTION & DUTIES

For the position of

WATERFRONT BEACH LIFEGUARD

The below specifications are intended to present a descriptive list of the range of duties performed by the waterfront beach lifeguard. Specifications are not intended to reflect all duties performed within the job but shall represent a reasonable comprehensive list of expectations.

GENERAL SUMMARY:

The Lake Barcroft waterfront beach lifeguard works under the direct supervision of the Lake Barcroft water safety supervisor and his/her deputy managers to safeguard all beach patrons from drowning and other accidents. He/she is responsible for constant patron surveillance of his/her assigned area and enforcement of recreational rules and regulations established by the Lake Barcroft Association. In addition, waterfront lifeguards must practice preventative lifeguarding, keep themselves physically fit and mentally aware, maintain and operate safety equipment, administer first-aid as required, and render aid necessary to rescue and resuscitate near drowning victims. The lifeguard also assists in the cleaning, security, and maintenance of LBA common properties on and adjacent to beach areas. The lifeguard is expected to work as part of a larger response team under the direction of the water safety supervisor or his/her deputy. The lifeguard may work in concert with Fairfax County Police, Fire, and/or EMS personnel to facilitate an interagency response to mitigate emergencies or attend to the community wellbeing.

SALARY/WAGE:

\$ 9.00-\$12.50/hour, seasonal

WORK LOAD OPTIONS:

- Full time (32-40 hrs/wk) 12-16 weeks desired
- Part time (16-30 hrs/wk) 12-16 weeks desired
- Weekends Only (12-16 hrs) primarily late June through early August. Other times at the discretion of the water safety supervisor.
- Substitute (8-30 hrs/pay) As need basis. Must satisfy inservice requirements

ESSENTIAL FUNCTIONS & RESPONSIBILITIES:

1. Primary first responder to incidents, accidents, and emergencies on assigned Lake Barcroft beach during posted business hours- weather permitting.
2. Immediately and appropriately respond to and mitigate all illness, injuries, or other emergencies occurring on or around assigned duty post. This includes but is not limited to performing lifeguarding skills, first aid skills, CPR, emergency oxygen administration, or other essential skills within the scope and practice of the lifeguard's training.
3. Provide a reasonable standard of care necessary to stabilize injured or ill patrons prior to the arrival of advanced emergency medical services.

4. Rescue swimmers or boaters in immediate danger as capable.
5. Maintain constant surveillance through regular visual scanning of assigned area of responsibility.
6. Monitor patron activities, provide instructions, and prevent accidents.
7. Communicate pertinent information regarding beach use and other safety guidelines. Report information as directed by the water safety supervisor.
8. Caution patrons of unsafe practices and enforce recreational rules and regulations established by the Lake Barcroft Association.
9. Report in and out from assigned duty post promptly at expected time.
10. Initial point of contact for concerned patrons. Relay or redirect information to a duty manager.
11. Communicate openly and regularly with water safety supervisor, duty managers, and team members.
12. Follow opening or closing procedures as amended by the water safety supervisor and/or the LBA board of directors. (attachment)
13. Keep accurate and timely record of daily beach activities to include but not limited to water conditions, weather conditions, hazards, swim counts, and general announcements
14. Attend and participate in all mandatory staff meetings and inservice training. Paid training is offered bi-weekly beginning in June. A minimum of 1 hour of participation must be maintained for each pay week of individual employment. Failure to do so will result in wage reductions equivalent to the missing time.

OTHER FUNCTIONS & EXPECTATIONS:

- Work as a team player with other members of the aquatic staff, including other lifeguards, managers, and aquatic instructors. Recognize your role as an employee of the community association. Under direct supervision of the water safety supervisor co-operate with other community organizations such as the Lake Barcroft Watershed Improvement District, the LBA Maintenance and Improvement Committee, the Lake Barcroft Women's Club, Delfino Landscaping, and the LBA board of Directors.
- Maintain a professional appearance and demeanor, including abiding by uniform requirements.
- Daily Exercise. Maintain the fullest level of professional training and physical stamina.
- Be an ambassador to the community. Greet all visitors; resident and non-resident, politely and positively. Use family appropriate language at all times.
- Restrict access to the lake, its beaches, and common properties to properly identified residents and their guests.

- Ensure reasonable cleanliness and aesthetic appearance of assigned common properties. Attend to trash receptacles as listed in opening/closing procedures.
- Inspect, clean, and maintain safety, communication, and utility equipment.
- Ensure the protection and security of wildlife while safeguarding patron wellbeing.
- Attend to duties and procedures in opening/closing guidelines (attachment) otherwise not addressed above.
- Other lake/beach related duties assigned by the water safety supervisor.
